

## Beach Cleanup at Lemon Creek

presented by NYC H<sub>2</sub>O,  
City Council Member Joe Borelli,  
the Natural Resources  
Protection Association,  
the Staten Island Museum,  
and the NYC Parks Department

*on September 30, 2017  
or October 1, if it rains*

Join us for a volunteer beach cleanup at Lemon Creek Park. A clean beach benefits community members and marine life. On NYC H<sub>2</sub>O's free field trips to Lemon Creek, participating students get to learn about wetlands and green infrastructure.

**Come help prepare Lemon Creek's Beach for spring! Registration is required: Please sign up at [nych2o.org](http://nych2o.org)**

The cleanup will run from **10am** to **12pm**. A pizza lunch will be provided for volunteers after the cleanup. At **12:30**, naturalist Clay Wollney will lead a hands-on seining net adventure. We'll see close-up some of the creatures that live in Prince's Bay that we helped protect from beach garbage.

Optional bus transportation to Lemon Creek Park will be provided from Union Square in Manhattan (space is limited); the bus will depart at **9am** and will return to Union Square after the cleanup.

Lemon Creek is located at the end of Seguire Avenue. You can point your GPS to Lemon Creek Park at **175 Johnston Terrace, Staten Island, NY 10309.**

**PARTNERSHIPS  
for PARKS**

A joint program of City Parks Foundation and NYC Parks.
